

Please join us for Skills Inc.'s Sixth Annual Golf Tournament at Druids Glen Golf Club on Friday, September 16th. All proceeds will directly benefit the Skills Inc. Aerospace Internship Program (AIP).

Skills Inc. is a social enterprise that has been training, employing, and serving persons with disabilities in the Puget Sound since 1966. The AIP is an educational and vocational training program for high school students with disabilities and barriers to learning. Providing an alternative to a traditional classroom environment helps at-risk students earn credits and complete their education. Students receive one-on-one training, mentoring, and personalized instruction, all of which create a practical learning environment where students are engaged and motivated to succeed.
