TAKE STEPS FOR A MORE INCLUSIVE, STRONGER COMMUNITY.

For over 50 years, Skills Inc. has proven that an inclusive workforce is a strong workforce. As a local non-profit social enterprise, Skills Inc. employs 600+ people—with and without disabilities—and provides programs and services to another 200+ individuals annually. We also serve as a community resource, partnering with companies—large and small—to increase employment opportunities for persons with disabilities.

On Saturday, May 18th, Skills Inc. will hold the 2nd Annual 5K for Abilities, which helps to increase disability awareness, strengthen community relationships, demonstrate the benefits of inclusion, and celebrate people of all abilities.

We hope you will be a sponsor of this community building event!
