What our past students say:

"Skills has definitely **changed my life in big ways**. The staff will work with you, they are very **patient**. It's a very lovely company." – Shanika

"I really appreciate everything that the Skills staff does so students can have an **amazing experience** like I did. Thank you!" – Ethan

"I think Skills Inc. offers a **wide selection of opportunities** for young people to find things that they are interested in." – Kara

About Skills Inc.

With over 20 years of experience in providing youth programs focused on career and personal development, Skills Inc. has helped hundreds of young people discover and improve their abilities, and transition with confidence on a solid pathway to independence.

We are proud to be partnered with the Washington State Division of Vocational Rehabilitation (DVR) to offer Pre-Employment Transition Services (Pre-ETS) and workplace readiness training in Self-Advocacy starting February 2021. These workshops are **FREE to eligible students**.

*Due to COVID restrictions, workshops are currently offered **online**. Access to computer and basic computer literacy skills are needed to participate.*
