

CREATING JOBS THAT CHANGE LIVES

CAREER SUCCESS WORKSHOPS

for Young Adults with Disabilities

DO YOU WANT TO:

Understand how to identify what you need to be the most successful version of you?

Navigate hard conversations confidently and informed?

Learn to overcome challenges you'll face in your personal and professional lives?

Knowing how and when to share details about your disability can improve your educational, employment, and social life. These Self-Advocacy Workshops will prepare you with confidence and strategies to make an informed choice about disclosing your disability.

These workshops are **FREE** to eligible students.

THIS OPPORTUNITY IS FOR:

- ✓ Students age 16-21 with IEPs or 504 Plan
- ✓ Current or potentially eligible Pre-ETS clients
- ✓ Young adults transitioning from school to work

TOPICS INCLUDE:

- Self-Advocacy
- Overcoming Obstacles
- How & When to Share Your Disability
- Pursuing Independence
- Workplace Success Strategies
- Brief History of Disability Rights
