

CREATING JOBS THAT CHANGE LIVES

# CAREER SUCCESS WORKSHOPS

for Young Adults with Disabilities

## DO YOU WANT TO:

*Understand how to identify your needs to be the most successful version of you?*

*Navigate hard conversations confidently and informed?*

*Learn to overcome challenges you'll face in your personal and professional lives?*

## THIS TRAINING IS FOR:

- ✓ Students age 16-21 with IEP or 504 Plan
- ✓ Who are registered with a high school or college for Fall 2022 term.

## TOPICS INCLUDE:

- Self-Advocacy
- Overcoming Obstacles
- How & When to Share Your Disability
- Pursuing Independence
- Workplace Success Strategies
- Brief History of Disability Rights

Communicating with confidence is an essential skill for learning and performing work. Knowing how and when to share details about your disability can improve your educational, employment, and social life. These workshops will prepare you with practical knowledge and strategies to make an informed choice about disclosing your disability, and more.
