Communicating with confidence is an essential skill for learning and performing work. Knowing how and when to share details about your disability can improve your success with gaining and maintaining employment. These workshops will prepare you with practical knowledge, strategies, and mental resilience to take ownership and make informed decisions about your career and life!

OPEN ENROLLMENT 2022-2023 School Year

Students must complete the DVR Pre-Employment Transition Services (Pre-ETS) Approval Form prior to participation.

If a student has already been approved eligible, then they are good to go!
