

Rehabilitation Services Accreditation System

Awards

Full Accreditation Status

To:

Skills, Inc.

**For Vocational Services in
Washington Department of Social & Health Services Region 2**

During the period of December 25, 2022 to December 24, 2025

The accreditation decision noted above is based upon the results of a thorough review of organizational documents, an on-site survey and interviews with relevant partners reflecting the service agency's ability to provide quality employment - related services to persons experiencing obstacles to employment.
