

AEROSPACE MANUFACTURING CAREER EXPLORATION

Work-based learning opportunities for students age 14-21 with an IEP, 504 Plan, or documented disability.

With over 20 years of experience providing work readiness programs for students with disabilities, Skills Inc. is a self-funded nonprofit and one of Washington's largest aerospace suppliers. *We focus on abilities and job fit, high expectations for all, and a culture of inclusion.*

SCHEDULE TODAY!

Students must complete the **DVR Pre-Employment Transition Services (Pre-ETS) Approval Form** prior to participation. If a student has already submitted this form and is approved for services, then they are free to register!

For more info on eligibility or accommodations contact:

Youth Programs Team,
youthprograms@skillsinc.com

Pre-ETS Program Manager, Abby Smith, abby.smith@dshs.wa.gov

AEROSPACE MANUFACTURING IS EXCITING & FOR EVERYONE!

Groups of 2-8 students, between 8am-2pm, Monday-Friday. Provide your own transportation. **In 90 minutes, you can customize your visit with a combination of the following:**

JOB SITE TOUR

See the behind-the-scenes making of aircraft parts and explore our facilities.

INFORMATIONAL INTERVIEW

Talk to an industry professional and learn about their career. Ask questions and get advice on how to get an job in aerospace.

JOB SHADOW

Learn about and shadow someone's job. This is a great way to get a glimpse into working in manufacturing.

CREATING JOBS THAT CHANGE LIVES

Pre-Employment Transition Services (Pre-ETS) are developed in partnership with the Washington State Department of Social and Health Services, Division of Vocational Rehabilitation.
