

JOB SITE TOURS: AEROSPACE MANUFACTURING

Work-based learning opportunity for students age 14-21 with an IEP, 504 Plan, or documented disability.

With over 55 years of experience expanding employment opportunities for people with disabilities, Skills Inc. is a self-funded nonprofit and one of Washington's largest aerospace suppliers.

ELIGIBILITY TO JOIN

Students must complete the DVR Pre-Employment Transition Services (Pre-ETS) Approval Form prior to participation. If a student has already submitted this form and is approved for services, then they are free to register!

For more info on eligibility or accommodations, contact:

Stacy Kidd, Regional Transition Consultant (Pierce County)
